

The background features a dark, blurred image of a laptop and an open notebook with a pen resting on it. A large, bright orange geometric shape, resembling a stylized 'D' or a series of overlapping triangles, is positioned on the right side of the frame. The text 'Django Presentation' is centered in a white, sans-serif font.

## About

Rent the dress was founded in early 2017.  
I felt it was hard to find nice dresses to rent cheap.  
My goal is to rent expensive dresses cheap for my customers.
